Bethel's Global Reach Leadership Team

Pastor Marcus Dewayne Holman, Sr. | Executive Director mholman@bethelsglobalreach.org

With a deep passion for the lost, evangelism has long been in the heart of Pastor Holman. A pivotal verse of Scripture that has served as the basis for the passion is Matthew 28:19 where Jesus simply said "GO". This was a command for the disciples and NOT an option. We are called to be the salt and the light of the world. There are two inseparable things that MUST be in the heart of a person who evangelizes. 1. A Deep LOVE for God and His Word 2. A Deep LOVE for People! One of the most profound Scriptures in all the word is found in Luke 19:10 "for the Son of Man came to seek and to save that which was lost" If this was Jesus sole purpose for coming to earth then it should be our purpose all the more! As Bethel's Global Reach continues to grow, we pray that you would prayerfully consider joining us on the mission's field. "For the harvest is PLENTIFUL but the laborers are few."

Leaving behind the pursuit of a music career, Pastor Marcus D. Holman Sr. fully committed and dedicated his life to the Lord on March 8, 1998. As God began to regenerate his spirit, Pastor Holman allowed God to heal him and rebuild his trust. Coming from a fatherless home, he witnessed how much his mother, Deborah Holman-Thomas, sacrificed so that he may have. In return, he was more determined and challenged to be a man of integrity and character.

Pastor Holman is a graduate of the 1992 class of Langham Creek High School in Houston. He received education at Texas Southern University. In 2002, Pastor Holman received his accreditation to be a Certified Christian Counselor from the International Institute for Christian Counseling (I.I.C.C.). In 2004, he obtained an Associate degree in Christian Education from the College of Biblical Studies (CBS) where he also graduated with a bachelor's degree in Christian Education and minor in Old Testament Studies; Pastor Holman will pursue his master's degree in Theology at the Dallas Theological Seminary.

Pastor Holman was united in marriage on March 17, 2001, to his beautiful wife, Jaime Holman who currently serves as Children's Ministry Director for the Church at Bethels Family. God has blessed them with four wonderful children, Vinchelle, Marcayla, Marcus Jr. and Faith. God is granting them the privilege to live their family as the scripture says in Psalm 112. Pastor Holman has a fervent belief in family, Joshua 24:15. Without a doubt, he believes it takes a strong, godly man to lead a family. Pastor Holman stands for what is honorable and pleasing to the Lord.

In 2003, he was called by God to lead The Point of Grace Church where he taught with great conviction that the Word of God is true and infallible. He preached the Word in Spirit and in Truth without compromise. The Lord has used Pastor Holman to lead hundreds of people to Christ.

In 2010, Pastor Holman received an opportunity that truly changed the course of his life. He and his wife, Jaime, were part of a 92- person mission team to Kenya, Africa. It was there that the Lord confirmed the next assignment for him. Pastor Holman has been used to impact regions like Nairobi, Kitale, Miguto and other tribes in Africa, as well as Prague Czech Republic, and Jacmel, Haiti. He joined the Church at Bethel's Family where he currently serves as Missions Pastor for the church. Pastor Holman also serves as the Executive Director of Bethels Global Reach Inc., Teaches Bible Study Methods for L.I.F.E. University and also Mission Minded for Adult Sunday School. He also serves on the board of United for Change and Southwest mentoring program for at risk youth.

"But none of these things move me; nor do I count my life dear to myself, so I may finish my race with joy, and the ministry which I receive from the Lord Jesus testify to the gospel of the grace of God." Acts 20:24

Pastor Walter August Jr. | Chairman of the Board waugust@bethelsglobalreach.org

In 1994, Pastor August organized and founded Bethel Family Baptist Church along with his wife, three sons, and six committed adults. Today Bethel's Family serves over 3,300 families, through 50 different ministries. In 1997, he accepted a call to Sugar Creek Baptist Church to serve as their Pastor of Missions. In his 7 1/2 years of service, he lead Sugar Creek through the help of God to start 58 churches and partnered with 50 more in the greater metropolitan area of Houston.

Pastor August has traveled to Kenya, Africa and Czech Republic, doing evangelism training, medical clinics, and developing church leadership teams. He attended Southwestern Theological Seminary in Houston and received Honorary Doctorates of Divinity from Saint Thomas Christian College in Jacksonville, Florida and Encourager Bible College & Seminary in India. He is a board member of the Baptist Church Loan Corporation. In 2002, he co-founded the "College Institute for Church Planters" in Baton Rouge, La.

In 2003, Pastor August started Bethel's Heavenly Hands Food Pantry and Clothing Center. Heavenly Hands is a 501(c)3 non-profit organization that has grown tremendously over the years and now serves over 8,000 people in the community per month.

In 2004, Pastor August came to Bethel's Family full-time and the ministry flourished under his leadership and faithfulness to God Almighty. In 2006, his care and concern for families in the surrounding communities compelled him to create Bethel's Place. Bethel's Place is a separate 501(c)3 Community Development and Empowerment Center that serves over 500 people a week. In 2009, he launched the Young Men Development Initiative, Inc; a separate 501(c)3 organization that mentors and develops young boys ages 4-15. In August 2010, he opened the doors to Bethel's Christian Academy offering a viable faith-based learning environment to young families in the community for teaching and developing their children. Pastor August is married to his wife of 25 years Ruby and they have three sons and three grandchildren.

Galatians 2:20 I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.

Katherine Radley | Administrative Director kradley@bethelsglobalreach.org

"For a long time there was a tug in my heart" says Katherine Radley. "Knowing that there was something I was supposed to be doing. It was not until my first missionary trip to Africa in 2010 that I knew what it was. Growing up I has always admired the people that help those in need around the world. I love helping people and I have always wanted to spread that love throughout the world in hope of changing lives while doing so. With the power of God I am doing just that."

Born and raised in Houston, Texas, Katherine Radley attended Houston Garden and Concord Elementary School, Francis Scott Key Middle School and graduated from Jack Yates Senior High School. Katherine attended college and received her Liberal Arts Degree from Midwestern State and Masters in Criminology from University of Houston Clear lake.

Katherine has been employed with the Houston Police Department for 16 years and currently holds the rank of Police Sergeant. Prior to becoming employed with HPD, Katherine worked in various accounting and clerical positions, giving her over 20 years of administrative experience.

Katherine grew up attending church at Lakewood Church, St. Emmanuel Baptist Church and was a member at Brentwood Baptist Church, prior to joining The Church at Bethel's Family in 2007. In 2010, Katherine renewed her public confession through re-baptism.

Katherine attended her first mission trip in 2010 to Kenya, Africa, where medical treatment and evangelism was administered to over 3000 people. After returning from that mission trip, she was asked by Pastor August to be a part of the mission's ministry the church was starting. Being a lifelong dream, Katherine accepted and has coordinated trips to Kenya in 2011 and 2012 and Czech, Republic in 2012.

Throughout her tenure she enrolled in several leadership and management courses that enhanced her managerial skills. After 20 years of service, she went to work for Amazing Smiles in 2004 as the Business Manager. This new position was very challenging but rewarding. After praying and asking God to show her which ministry to join, she was led to Bethel's Global Reach. "God placed me amongst his other children so that we may fulfill our purpose to bring God's will to pass." For two consecutive years she has recruited several dentist, medical doctors, and nurses to travel to Africa to provide medical services to less fortunate people. Currently, she is holding the position as a volunteer coordinator.

MISSIONS...

Therefore “**GO**” and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,

Our Mission is fourfold:

1. **To “GO”** this is an integral part of the Great Commission. This includes the church going to where “they” are. To fulfill the Great Commission we CANNOT expect “them” to come to us!
2. **To teach and preach** the Gospel Message of Salvation that ONLY comes through the person of Christ.
 - a. **Matt 28:20a^{and} teaching them to obey everything I have commanded you.**
 - b. To offer ongoing training and support though interactive teaching and developing.
 - c. This will be accomplished though Sunday School classes “On Missions with God”
 - i. Classes will help students recognize and understand the call to missions
 - ii. Proper preparations to go on missions
 - iii. **The Spiritual Implications of being on missions**
3. **To make “Disciples”** This will be done by having an ongoing effort of evangelism in the areas that we go to.
 - a. Developing an **ARM of Bethels Global Reach and The Church at Bethel’s Family** in the regions we minister at. I.e. Kenya, Haiti etc.
4. **The leave a lasting impression** of God’s Love on those whom we minister to.
 - a. **Matt 28:20b and surely I am with you always, to the very end of the age.**
 - b. This will be accomplished by having a permanent presence thru semiannual trips to the place we traveled to.
 - c. By establishing relationships with the Pastors and Leaders in the areas targeted thru mission

We are actively making a forever difference in the lives of people through the ministry of love and compassion. We are committed to helping provide for the physical and spiritual needs of people locally and throughout the world.

Our Vision as **Bethel's Global Reach Inc.**

1. To create a **STRONG** presence of Global Support that excites the people to join God on missions.
2. To Grow **Bethel's Global Reach** to incorporate partnering with other Missions Teams for the purposes of Humanitarian efforts.
3. To increase our financial range as further our missions and international efforts
 - a. This will provide tremendous opportunity to fund greater missionary projects and provide greater aide to nations in need of help.
 - b. Having on site emergency response teams ready to deploy in the event of Global disaster
 - i. Through our nonprofit status this will allow for the ministry to benefit from several fundraising opportunities that will ultimately grow **Bethels Global Reach**.
4. To have Satellite offices in on all continents by the year 2025
5. Plan, organize logistically all details that pertain to any and all missions trip though **Bethel's Global Reach**
6. Proactively campaign for Global and Social issues that will impact Human kind for the good.
7. To have World Outreach Headquarters in Houston, Texas

All funds requested will be specifically used to support the **God-sized** vision set before this church with the intent of impacting communities within this city, Continental United States and Internationally. Bethel's Global Reach will reach out to new people and engage inactive members through mission work.

"If God calls you to be a missionary, don't stoop to be a king" — Jordan Grooms

YOUR MISSION

A church on a mission is a unique group of Christ followers with a common agenda. To pursue passionately the purpose God has placed on Bethels Family as a church and Bethels Global Reach as the ministry which is to make disciples in our Jerusalem, and Judea and Samaria, and to the Ends of the Earth.

Acts 1:8 “But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria, and to the ends of all the earth.”

We have turn key projects at Multi housing complexes and marginalized communities throughout the city where you can participate in a viable mission strategy in partnership with our community missionaries.

Kendleton Project

The Kendleton project will allow you to experience the dynamics of a mission trip without the cost, time, and passport. K.P is designed so you can stay at a local retreat house, as a team/family for the weekend. At the local retreat house you will have special times of worship and devotions/fellowship. During the day, you will work as a team to renovate houses for Second mile clients. The project is designed for individuals and families of all ages. The projects are designed so that team members of every age can contribute. The team size is limited to 40 people Cost: 200.00- Family 80.00- Individual

Come join us for our tour. This is an opportunity for us to gain an understanding of our neighbors. Nehemiah prayed for the city and then he toured the city to see the needs. We are following that example of praying and seeing the needs of our immediate community (Jerusalem) and our city (Judea)

We are: A unique community of Christ followers, sharing our gifts and talents, giving generously to advance the Kingdom, pursuing with great passion the specific task that God has designed for this church. This is **Bethels Global Reach**.

From impacting our local communities of the Fondren Southwest, to advance the Gospel message among the unreached people to the ends of the earth, Bethels Family is a church that is on missions with God.

Be a part of the dynamic spiritual future of **Bethels Global Reach** by taking progressive steps of involvement and be a part of the adventure in our Jerusalem, our Judea, and our Samaria and to the ends of the earth. The Holy Spirit has birthed our global reach efforts at Bethels Family Church. God is now calling his people to accomplish this task. This is your chance to make an eternal impact. “GO” tell your story...no more excuses...Now is the time!

Don't let anything stop you if you are called to these projects. All of our life changing trips are led by certified team leaders that will help you on a spiritual discipleship path and also assist and coach you in the support raising process. You will experience God at work in your life as you take this step of faith. Prayerfully consider your participation both locally and globally.

To know the will of God, we need an open Bible and an open map.

William Carey, pioneer missionary to India

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us

most. You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that people won't feel insecure around you.

We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in all of us. And when we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.”
